

## FULFILLMENT & QC INTERNSHIP

Renew World Outreach is a non-profit Christian ministry located in Stone Mountain, GA that develops technology, and training to help spread the Word of God. Our primary mission is to reach the unreached with the Word of God through innovation that multiplies field impact.

*We highly value prayer, worship, and the power of the Holy Spirit in our community. Our spiritual expectations are that each team member maintains an intimate relationship with Jesus Christ and that they have a desire to see God's Kingdom expand. Every team member should see their work at Renew as an "act of worship" to God, and agree with and commit to Renew's core values.*

Renew is seeking 1-2 interns who are passionate about Jesus and the Great Commission to fill immediate roles in Renew's Fulfillment Department. Interns will have a unique, hands-on experience that will directly impact the nations with the Gospel. Interns can also expect to grow spiritually through being involved in the Renew community, mission, and daily times of worship and prayer.

Some tasks may include and are not limited to:

### **Fulfillment Support:**

- Assist in the fulfillment of orders by loading, building and testing Renew's equipment to be shipped directly to the partner.
- Assist with partner communication when needed - assess customer needs and provide guidance on product selection, and support related questions.
- Create, edit, update and provide troubleshooting documentation for common product issues.

### **Technical & Quality Control Support:**

- Assist in the technical testing of Renew's equipment to ensure the product meets Renew's quality standards.
- Take apart and reassemble products for quality control and troubleshooting.

### **Skills and Experience:**

- Strong computer competency, including Google Office and documentation tools.
- Strong organizational skills and ability to multitask effectively.
- Adaptability in a fast-changing work environment.
- Experience in technical troubleshooting, product assembly
